

RESPONSIBLE TRAVEL: BIKING

Whether you're into undulating cross-country, monstrous climbs or radical downhill, Golden's got it all!

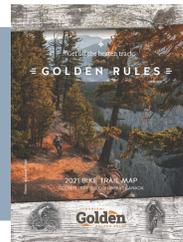

Trail Etiquette

- Ride on designated trails only- Grab a [trail map](#) from the Visitors Centre!
- Respect trail closures, it's for your own safety.
- Yield appropriately and share the trail with others.
- Stay alert on trails and look out for wildlife.
- Bring extra food and water even for short rides.
- Always wear a helmet.
- Carry all essentials with you in case of emergency.
- [Leave No Trace](#).
- Check out the biking resource from [Adventure Smart](#) for more tips to be prepared on the trails.

Responsible Recreation

- Trash on trails ruins the experience for everyone. It can also become a danger to wildlife. Pack out your garbage.
- Dogs can't always be off-leash and for good reason. Clean up after your pets.
- Handle your "business" properly in the wild. Dig a hole 100m away from trails and water sources and bury your waste.
- Prevent the spread of disease and invasive species by ensuring vehicles, bikes, and boots are cleaned before and after visiting an area.
- Wildlife is meant to be wild- do not feed animals.
